APRIL 2025

Janet married Jack Mann in 1951. They moved to Denver, Colorado, in 1953, where Janet lived for the next 62 years. They always had one or two dogs to bless their home. During this time, she worked for a number of companies, including Dunn and Brad Street, Franklin Supply Company and as a general manager for Petroleum Information. 1991 was a difficult year for Janet, when she lost her husband, Jack, as well as her job at Petroleum Information. Janet stayed in Denver for the next 14 years, turning her love for dogs into a successful dog-sitting practice. Janet moved to Harlingen, Texas, in 2015 to be closer to her older sister and brother-in-law. She moved to Houston, Texas, in November 2024. During her lifetime, Janet traveled to Denmark, Holland, Greece, and Malta. Today, Janet still enjoys reading, American history, and of course, loving dogs.

Janet Bernice Steffens Mann was born on August 14, 1930, in St. Louis, Missouri. Life was never the same when Janet arrived in the Steffens household. She was the youngest of three children to Oscar and Mary Steffens. From the start, Janet, the “tomboy,” played softball or got into fights with the neighborhood boys. In her quiet time, Janet was an avid reader, often sneaking away to read a book. One of Janet’s favorite stories is the day her mom found her in the furnace coal bin reading a book. Janet excelled in high school and was involved in extracurricular activities including editor of the school’s newspaper and performing in several musical productions. Janet was also in the All City Acapella Choir, performing all over St. Louis. While in high school, Simplicity Patterns Company selected Janet to model their suits in numerous fashion shows. After graduation, Janet worked for a company that insured circus people through Lloyds of London. She also worked at Ashby Manufacturing as a secretary to the vice president and then as a stenographer and secretary at Mallinckrodt Chemical Works.
