JUNE 2025

Terri Duffin was born January 18, 1949. She grew up in Indianapolis, Indiana, with two older brothers and a younger sister. Terri met her husband, David Duffin, at a campus Young Republican meeting while in college. She and David started dating and she transferred to the University of Indiana where David was a student. They married in 1969. David's job took them to Michigan, where they lived with their two daughters, Angie and Amy. David later transferred to Katy, Texas, where they lived in the Cimarron subdivision off Mason Road. Terri was a teacher at various Elementary schools in the Katy School District. Terri later transferred to the CyFair School District and taught middle school. Both girls attended Katy High School and were in the Katy Tigers Band. Terri and David were active "band parents" spending their Friday nights at the football stadium watching the girls perform.

Terri has always loved music and singing. She was a member of the International Women's singing organization and the Sweet Adelines, and she traveled for singing competitions throughout the United States. Over the years, Terri and her family would travel back to Indianapolis for the Indianapolis 500. David's family home is 3 blocks from the speedway. The family gathers annually and attends the race. Terri has shared many memories of the family packing up coolers of food and drinks and walking to the speedway for the Indianapolis 500. Terri retired from teaching after surviving a massive stroke. After extensive rehab, Terri has remained mobile using her scooter. Terri still enjoys music and singing and the various activities and entertainers that come to The Reserve. Her favorite is Rickey Davis, a Frank Sinatra tribute singer who has entertained at our family parties and events. Terri has been at The Reserve 2 years and lives with her beautiful orange tabby cat, Candy, a favorite with the staff and residents here. She is often visited by her family; both of her daughters are married. Amy, her wife, and their daughter live in Austin. Angie, her husband, and their two daughters live in the Woodlands. David and Terri spend most holidays with Angie and family in the Woodlands.

JUNE 2025

June Blossoms

June’s birth month flowers are among the most fragrant of all: the rose and the honeysuckle. Symbolically, they both have many meanings. A deep pink rose is a traditional sign of gratitude, a white rose signifies innocence and new beginnings, and a red rose means “I love you.” Honeysuckle is also a symbol of love, as well as happiness and appreciation.

Here’s to Dads

“Wishing all the incredible dads a very Happy Father’s Day! Your love, wisdom, and support mean the world. This month we celebrate you!”

Hello, Sunshine!

Bring on the sun and fun! Summer officially begins on June 20.

“The most wasted of days is one without laughter.”
—E.E. Cummings
